9. Event Format:

- a) As per attachment marked “Event Format”.
- b) Grouping of Vehicles
 - (i) Number of groups: 6, numbered 1 to 6
 - (ii) Group Identification: by time, from 1 (fastest) to 6 (slowest)
 - (iii) Groups to be called up for each run: 1 at a time
 - (iv) Drivers are required to present in pit lane in sequence as advised at the drivers briefing (morning runs) and at lunchtime (afternoon runs). Group numbers will be displayed as an aid, but drivers are responsible for ensuring they present in their allotted position.
- c) Proposed event run format
 - (i) Cars will be started in pairs, the maximum number of pairs **as per the track capacity** shall be 6
 - (ii) Each run will comprise **a minimum of 3 flying timed laps**, with the time for the fastest single lap being used for results.
 - (iii) Min. number of timed runs for the event: 2 (more as time permits)
(Note: The Event will not be concluded when this minimum is achieved. Event will only be concluded early for safety reasons or if no competitors available)

Note: Grouping of pairs of cars to form a 'mini-race' anywhere on the circuit is NOT permitted, and action will be taken by the Clerk of the Course if such an incident takes place.

10. Familiarisation Session:

Familiarisation laps behind a pace car will be given to drivers that have not previously competed at the circuit. They may be accompanied by a L2S licence holder or higher with a minimum of 3 years experience as a passenger to assist in pointing out flag points, braking markers, racing lines etc. All normal safety requirements apply.

11. Entries:

- a) Maximum number of Driver entries for the event: 66. Reserves: 5
- b) Cars may be entered with a maximum of 2 drivers, with the proviso that if the drivers are placed in the same “speed group” by their recorded times then the driver with the slower recorded time will run in a lower speed group. If in the Organisers’ opinion, placing that driver in a lower speed group results in an unacceptable speed differential within that group, the double entry may be refused. Open wheelers, Clubman and Clubman style vehicles are not eligible for this event.
- c) Members of the following clubs are eligible to enter:
Porsche Club NSW Inc Only
- d) Opening Date: 22nd April 2013 Fee: \$270

No entries will be accepted after 5.00 pm on 16th May 2013.
- f) Pit garages are not available for use (even if unlocked or open).
Note that there is no secure storage: any valuables should be protected at all times.
- g) Entries will be accepted in order of receipt, and must be accompanied by the entry form and entry fee. Entries may only be submitted online using the online entry form and payment process on the club’s website: www.pcnsww.com.au under “Events”.

PCNSW 2013 Sprint Championship Round 2, Sydney Motorsport Park – South Circuit

- h) Entries from drivers between 16 and 18 years of age must be counter-signed/consented to by a parent or legal guardian on the official entry form.
- i) The Organisers reserve the right to refuse any entry in accordance with NCR 83 Of the current CAMS Manual.
- j) Number of venue admission tickets included in entry fee: nil.
- k) Emails confirming acceptance of entries will be sent out for entries received before the closing date.
- l) Refunds: the entry fee will be refunded if a competitor advises the Event Secretary on or before the closing date that they are unable to attend the event. If the advice is received after the closing date then a refund will be given if a fee-paying reserve is able to take the entrant's place.
- m) Any vehicle passed by scrutineering will for the purpose of the entry be deemed to have competed.

12. Minimum Licences:

Current CAMS Level 2S/2SJ Licence and PCNSW Club Membership card are compulsory and must be produced at Registration on the day of the event **or entry will be denied**. Licences will not be issued on the day of the event

13. Driver Safety:

Drivers must wear:

- a) A helmet that complies with AS1698 or better and carries marking to that effect, or is otherwise approved by CAMS (see schedule D, Section 1 [Headgear] of the General Requirements for Cars and Drivers in the current CAMS Manual of Motorsport). Helmets must be in good condition and must not have any perforations to the outer surface.
- b) All apparel shall comply with Schedule D of the current CAMS Manual. Non-flammable clothing extending from neck to wrists to ankles (apparel of nylon or similar material is forbidden). Flame retardant overalls, or better, are highly recommended.
- c) Shoes which completely cover the feet, made entirely of leather or other flame resistant materials (thongs, open sandals, high-heeled shoes and shoes that contain any synthetic materials such as nylon are forbidden).
- d) In open cars, goggles or a visor with a lens material other than glass (to AS1609) are mandatory as are leather or Nomex gloves which entirely cover the hands.

14. Vehicle Categories & Classes:

Vehicles will be classified into classes according to PCNSW Competition Rules.

Note: The Organisers may re-classify any vehicle if they believe it is not eligible for the class in which it has been entered.

15. Scrutiny Requirements:

- a) All vehicles must comply with Schedules A & B of the CAMS General Requirements for Automobiles (as specified in the current CAMS Manual), including:
 - A fire extinguisher to CAMS requirements and fitted within reach of the driver while belted in.
 - A blue triangle, 150mm on each side mounted to indicate the battery location.
 - A secondary method for fastening the bonnet .
 - All forward facing glass lenses etc to be completely covered by protective film (note that 'criss-cross' taping is not sufficient)
 - All loose objects are to be removed from the car
 - The battery is to be firmly clamped.
 - Metal valve caps fitted to all 4 wheels

- Vehicles that have been issued with a CAMS Log Book must present the Log Book at Registration and Scrutineering.
- b) Competition numbers of a minimum height of 200mm must:
 - be positioned on both sides of the car,
 - be of a contrasting colour to the surrounding bodywork, and
 - be clearly visible to the timekeepers.
- c) Drivers and vehicles must be presented at scrutineering in a clean and tidy manner completely ready for the track including driver's apparel and helmet. Any tyre or component changes to the vehicle after scrutineering must be approved by the Chief Scrutineer before the vehicle is taken onto the track.
- d) Any vehicle found to be leaking oil or fluids at scrutineering or whilst competing will be suspended from the event until the Chief Scrutineer/Clerk of the Course is satisfied that action has been taken to rectify the leak. Should there be a re-occurrence of the leak then the vehicle will be excluded from the remainder of the event.
- e) All vehicles must be fitted with towing hooks or a similar device both front and rear to allow the vehicle to be speedily recovered from a 'sand trap' or removed from the circuit in case of a mechanical failure. If you have a removable tow hook then fit it. Highly visible "Tow" stickers are recommended to mark the towing points.
- f) Whilst not mandatory in all classes it is strongly recommended that all open vehicles be fitted with CAMS approved rollover protection.
- g) Fuel must be in accordance with Schedule G of the current CAMS manual.

A sticker will be issued confirming that the vehicle has passed scrutineering prior to it being able to compete.

16. Noise

Maximum Noise Limit: 95dba at 30 metres.

Any car found to exceed the maximum noise emission limit will be suspended from the event until the Chief Scrutineer / Clerk of Course is satisfied that action has been taken to bring it within the limit. Any vehicle that exceeds the limit on two runs will be excluded from the remainder of the event. If a vehicle exceeds the noise limit on any lap or laps within a run then only those laps in which the vehicle conformed to the requirements will be allowed for the purpose of the results.

17. Pre-Event Scrutiny at Circuit:

Start time: Refer "Event Format" Finish time: Refer "Event Format"

- a) Cars and Drivers must present at scrutiny ready for the track and meeting the requirements set out in section 15.
