

Porsche Clubs of Australia at “The Bend”

WOW! It's here! The Porsche Clubs of Australia event at The Bend!

With the regular PCNSW Bathurst 6hr event not going ahead at Easter 2020, we have taken action to ensure Easter and Porsche Club Level Motorsport continues.

This will cater for the Bathurst Easter regulars, and those that have the itch to get in on the Easter motorsport experience, now being hosted in our backyard at Australia's award winning newest race track!

Two days of fun and glorious cars, with several competitive formats including multiple sprints each day and a mini 40 minute enduro (regularity) all in the planning, neatly tucked away across Friday and Saturday to give you the chance to spend Sunday and Monday with family for Easter. It's family friendly! Bringing the family with you? How about taking them to the Barossa, McLaren Vale or many of the seaside attractions Adelaide has to offer over the last 2 days of the weekend?

Does it get much better than this? Unlike Bathurst, which was 5 x 20 minute sessions, The PCSA has organised to PURCHASE THE WHOLE TRACK FOR TWO STRAIGHT DAYS! This is Porsche Club SA track time Nirvana! The Holy Grail! Dare I say it? More track time than any Porsche Club events around Australia!

NUMBERS WILL BE LIMITED!

Each state will be provided an allocation, and similar to Bathurst, as a safety measure, a prerequisite for recent sprint experience will be required as part of entry.

So what do we need to do to make it happen and to make sure your name is on the invite list? All you need to do is preregister now, by sending a Registration Of Interest to sprint@pcsa.asn.au
