## 993 register

Hi everyone,

Welcome to 2010, and the way the year is quickly passing by I hope you've started your Christmas shopping.

It took the release of a rather special version of the 911 to replace the many images of the 80's series 911s & 930s I'd collected throughout my teenage years with those of the 993 and 993 turbo. Happily I was able to upgrade my 83' 911 SC 4 years ago with my 94' 993 Carrera. 2010 has seen another journey with my love of the 993 model in the capacity of the 993 register captain.

To enjoy the sensational design creation of Harm Lagaay I have planned approximately 4 events for the 993 register during 2010. 3 events will be drives, the 1<sup>st</sup> being this Thursday evening with the thanks to ex 993 register and PCV captain Michael Chapman. The other one being a technical or special interest evening.

Being our register I'd love to invite your input and ideas for events that you'd like to participate in. I have no doubt that some fantastic ideas are forming in those minds as you read this. Even though I've penciled in some events I'm happy to park my ideas to use in 2011.

I look forward to sneaking out from behind my camera lens and enjoying your company throughout 2010. Please feel free get in contact with me with any comments or feedback during 2010.

Warm regards,

Felix Rienets
