Dorians

Don't hire it – Buy it

And we guarantee to buy it back for half price* after 18 months if you are no longer a competing member

Why bother going to the trouble and inconvenience of hiring your Dorian sender when for the Club subsidised price of just \$410.00* you can buy the complete unit and have your car ready for each club event before you arrive on the day. If, at the end of 18 months, you feel you are over the event thing PCV guarantees it will buy back your Dorian equipment for 50% of your cost price*.

Don't be one of those members who have to stand in line to get a Dorian at event registration and then rush off to fit the sender to your car before scrutineering. All competing members will know that the last thing you need at a sprint event is to be rushing to get things finished, relaxed drivers produce better times. So why not buy your Dorian now and avoid all that hassle and fuss immediately prior to an event.

To secure your unit before the next club competition day fill in the attached order form and return it by post or fax.

- * This subsidised price is limited to Club Members competing in PCV events. There is a limit of one Dorian per member.
- * The guaranteed buy back price assumes that all the equipment is returned in good working order, fair wear and tear acceptable and is not transferable.
- * The buy back policy is only valid for Dorians that have been delivered to members within the last 18 months.
