Remarks:

The perfect base for the event will be the **Auto- und Technik Museum Sinsheim** that provides numerous additional highlights.

The adjacent 4-star „Hotel Sinsheim“ <http://www.hotel-sinsheim.de/> is offering a variety of beautiful rooms. They can be booked individually at a special rate for our participants using the password “Carrera RS”.

Secure overnight parking will be provided.

The “Concours d’Elegance” is not meant to be one in the classical sense – where utmost cleanliness is required. We don’t want our participants to spend Saturday evening to clean their cars! We want to line up the cars beautifully in the courtyard of the castle to create a perfect atmosphere for the joint voting for the best cars in two categories:

1. Best mostly unrestored car with original patina
2. Best fully restored original car

For the voting we want to involve each participant with 1 vote and the Porsche specialists with 2 votes each.

Overall we want to make the meeting an easy going social event, where international Carrera RS owners get a chance to meet each other and where the competition is of less importance.
